(1) The vacancy of clerk in grade Rs 50-2-60 is classified as specia
It should be filled up either by absorbing a Backward Community grad
working in old Class I or by appointing a Backward Community candidate
from Class I 'B' list or by promoting a non-graduate Backward Communit
official working in Class II The proposal of the President to promo
Mr B Aswathanarayana Sastry to the special vacancy and to treat the
next promotion vacancy as direct recruitment special by way of compen-
is not acceptable from the recruitment point of view

GOVERNMENT OF MYSORE

It is further stated that if the official had gone to the Revenu
Department he could have certainl got a chance of promotion to highe
grade as he was fully qualified himself for Rs 60-4-80 grade by passing
the prescribed tests" Such reasons which are purely personal are -
hardly tenable Rules cannot be infringed for the purpose of promot-
ing a particular official If Mr Sastry wants to improve his pros-
pects he should be reverted to the Revenue Department for earning his
usual promotions Now as the scales of pay have been revised by -
Government he will have better pay and grade in the Revenue Departmen
If he is still retained in the Trust Board he should be promoted only
in a general vacancy in grade Rs 50-4-60 The scales of pay in the
Municipality have not yet been revised

Subject - Re the appointment of one Mr B Aswathnarayana Sastry, Clerk, City Improvement Trust Board, Mysore, in grade Rs 50-2-60

In forwarding herewith the application of Mr B Aswathnarayana Sastry, Clerk of the Trust Board Office praying that he may be fixed on Rs 60/- in grade Rs 50-2-60 etc, I have the honour to state that the Chairman, Improvement Trust Board, Mysore, has sent a copy of the Government Order No L 9540-41/M1 12-46-23 dated 7-1-1947 sanctioning a new post of a cashier in grade Rs 50-2-60 to his office permanently Accordingly the vacancy has been classified as special under class I series of appointment Mr B Aswathnarayana Sastry the above applicant is a permanent clerk on Rs 40-2-50 drawing Rs 50/- for the last three years He is a graduate brahmin by caste and has passed Revenue (Hr), Accounts (Hr), Criminal (Hr) Registration and Civil Part II Examination Once his claims were superceded as he had not passed the Municipal and Local Boards Examination which is required to be passed by the officials working in the Local Bodies According to the revised rules of recruitment Graduates in service who were regularly appointed by direct recruitment in old class I and II might be promoted to vacancies in class I in preference to fresh candidates after classification of the vacancies into special and general This official was transferred from the Revenue Department to the Trust Board in 1941 He had again been transferred to the Revenue Department a few months back But the transfer order was got cancelled as he had been entrusted with the Land Acquisition work which is a very important and responsible one and as there were no suitable officials to be posted to the work It

is represented by the official that if he had gone to the Revenue Department, he would have certainly got a chance of promotion to higher grade as he has fully qualified himself for Rs 60-4-80 grade by passing the prescribed tests

He is stagnating on Rs 50/Rs in grade Rs 40-2-50 from a long time and it is desirable that such hard working and qualified officials should be encouraged by giving them promotions not only in the interest of work but also to keep them contented

He is a senior official in grade Rs 40-2-50 to be promoted to higher grade As the post of a cashier now sanctioned by Government has been classified as special, I request you kindly to obtain sanction of Government to promote the above official Mr B Aswathnarayana Sastry to the grade Rs 50-2-60 as a special case in view of the circumstances explained above, as it is very rare that vacancies occur here The next promotional vacancy will be compensated

The Service Register of the official is enclosed herein

With reference to the correspondence ending with your letter No M6. 297-175 dt 10-10-47 (46-47) on the above subject I am directed to state that the vacancy of the clerk in grade Rs 50-2-60 is classified as a Special one & should be filled up either by absorbing a Backward community graduate working in Old Class I or by appointing a Backward community

candidate from Class I is likely by promoting a non-graduate backward community official working in class II.

The proposal to promote Mr B Aswathanarayana Sastry to the special vacancy and to treat the next promotion vacancy as direct recruitment special by way of compensation is opposed to the recruitment rules and is therefore not acceptable to the Govt.

~~The case of the official for promotion to the grade of Rs 50-250 in the Trust Board has to be considered in a general vacancy~~

Many factors be omitted as there can be no question of the revision of scales in the Rev Dept

The service register and character roll of the official are herewith returned
